**To Our Valuable Customer:**

Effective: March 17, 2008

We know you have many options when it comes to LTL Transportation. That is why we are grateful that you trust "NOTS" with your LTL freight. In today's market you need a LTL partner carrier that is flexible, listens to your needs, and adds value to your supply chain.

NOTS will continue to expand in 2008 by investing in people, facilities, equipment, and technology designed to help your business prosper.

However, in order for us to continue to improve and expand our services, NOTS will need to institute a LTL rate increase of 5.3% and a \$1.00 increase on the minimum charges effective March 17, 2008. This increase will apply on all LTL Rates, Flat Rates, Minimums, Special Minimums, Pallet Rates, and Header Rates. The only exception will be if you are currently covered by a contract.

If you currently have a NOTS LTL Rate CD, you will automatically receive an updated CD before March 17, 2008. If you do not have a NOTS LTL Rate CD but would like to receive one, please contact us by email at [sales@notsservices.com](mailto:sales@notsservices.com) or by phone at 1-800-642-5436 ext. 349. We also have our LTL Rates available on-line through our website.

At NOTS we look forward to continuing to serve your transportation needs in 2008. Please visit our website at [www.gonots.com](http://www.gonots.com) throughout the year for updated information and new services.

Again, we would like to thank you for your business and continued support.

Sincerely,

NOTS
